

Homeownership builds strength, stability and self-reliance.

welcomehome

A Note From Wendy Cullinan Gratitude

The morning of July 10th was rejuvenating, but it didn't begin that way.

As staff and core volunteers gathered early to prepare for the wall raising celebration for our 6 home build on Murray Lane in Harwich, the sky darkened and a steady drizzle began.

We nervously assured each other that the skies would clear and we'd "get those walls raised" before the weather got worse. And then the weather got worse. The drizzle gave way to a steady rain, with thunder and lightening right behind. We pledged to keep a positive attitude and headed to our cars to wait it out safely.

In true Habitat fashion, the skies DID clear. The line formed at registration as the families and volunteers signed up for the day - whatever the day was about to bring.

Welcome to our 12 New Future Homeowners

Thank you all for taking the time and the leap of faith to go through the homeownership process with Habitat. We know the year ahead isn't going to be easy; the kids need taking care of, the house needs cleaning, the holidays are coming up, everyone is working more hours than ever before. Add to that, spending one day a week building your home. But we know you can do it.

This is going to be a busy year, maybe the busiest, but to the 12 new home buyers, before you know it, you will be unlocking the door to your own home for the first time with your brand new set of keys. You will join 160 other families who own their own affordable Habitat home on Cape Cod.

Please read on to learn more about the 2022 home buyers and how by many hands working together, we make magic happen!

**BUILDING HOMES
CHANGING LIVES
PRESERVING COMMUNITY**

Fall 2021

Ride for Homes

Gratitude continued

And the line got longer, and longer... the fire department arrived, the police arrived, the Coast Guard, the Marines...all of them called in to raise the very heavy gable end walls.

The community streamed in and crowds formed, all to celebrate the beginning of the journey to home-ownership for six local families.

The umbrellas went down as Habitat's Board Chair, Wil Rhymer welcomed the 200 plus individuals there to either help or watch, as the walls were raised, signaling the start of volunteer construction.

Everyone was saying how great they felt...you could "feel it in the air" and spirits were high.

We were outside, feeling safe while gathering together.

It had been nearly two years since our last typical Habitat wall raising and we had all been missing the camaraderie.

We need each other - that is what Habitat is about...it's about people. It's about you, helping each other, caring about each other.

Stay safe but stay together. That's Habitat at its best.

Habitat for Humanity of Cape Cod is an ecumenical housing ministry, non-profit 501 (c) 3 organization.

We tithe 10% of unrestricted donations to homebuilding overseas through Habitat for Humanity International.

Welcome New Board Members

Lynn Johnson is a member of our Faith Relations Committee, a Volunteer Family Partner and a construction volunteer. She works as the Facilities Manager and a Dental Assistant at her husband's dental practice.

Lynn is a PSIA (Professional Ski Instructors of America) certified Alpine and Adaptive Ski Instructor and has been working at Mt. Snow, where she is the Head Coach for the Special Olympics Program. In addition, she is a retired racehorse trainer. She lives in Harwich with her husband Murray and son, Ian.

Matt Pitta is the Director of Communication for The Davenport Companies and a journalist who has covered news across Cape Cod, the state, and the nation for over 30 years. Matt is also involved in various aspects of marketing for The Davenport Companies.

He is the former news director of Cape Cod Broadcasting, iHeart Media and the previous Quantum Communications. Matt spent many years working for The Associated Press as a broadcast editor and reporter, covering major stories across New England. He has been recognized with three Edward R. Murrow Awards for excellence in journalism and dozens of Associated Press awards.

Peter Kimball is the Vice President at M. Duffany Builders of Falmouth. He is managing the Duffany Builder business for the Outer Cape. Peter has spent the last 20 years in the home building industry on Cape Cod.

He is a past President of the Home Builders and Remodelers Association of Cape Cod where he was also the organizer and participant in four Habitat Blitz Builds. Peter has been an active committee and board member of Habitat Cape Cod for the last 8 years. He embraces the active lifestyle found on the Cape.

Cindy Roth has over 20 years of experience in the Hospitality Industry, having worked for Hilton Hotels, InnSeason Resorts and Bluegreen Resorts, in positions such as HR EEOC Officer & Employee Relations Manager, Regional Director of Training and Resort General Manager before becoming a Real Estate professional.

Cindy began working with Kinlin Grover Real Estate in 2012 and manages over 100 vacation rental properties on Cape Cod. She is also currently a member of the Cape & Islands Association of Realtors Diversity & Inclusion Committee.

Cindy, her husband Daniel and two children have made Cape Cod their home for almost 20 years and reside in Orleans.

Thank you to our outgoing board members, John DeMello, Patricia Mormann and Kathleen Nagle. We appreciate your dedication and commitment to the Habitat mission and for all your support as we navigated the pandemic together.

Meet the Murray Lane, Harwich Home Buyers

Site Supervisor: Desmond McMahon

Volunteer Coordinator: Joanne Broderick **Devotions Coordinator:** Deacon Dave Akin

Registration Coordinators: Judy Parmelee **Snack Coordinator:** Camille Gingras

Alfred and Arelis were both born and raised on the beautiful island of Puerto Rico. They moved to Wellfleet 3 years ago after losing their home and belongings in Hurricane Maria. Alfred is a Sous Chef at Mac's Fish House in Provincetown and Arelis is a teacher at Children's Place in Eastham. The couple have 3 children: Julio, Arianeliz and Eva Luna.

"For our family, having this blessing is the fulfillment of God's plans for our lives. It was our third time applying and we never lost faith. Being able to own a home is a sign of God's care for his children and gives us hope."

Edmond and Kathleen currently live in Dennisport with their two daughters, Vivienne and Violet. Edmond works as a landscaper for St. Peter Landscaping and Kathleen has a culinary degree and worked for Whole Foods before becoming a stay at home mom.

"We are so grateful to have been selected by Habitat and we feel excited to build our home, working alongside our neighbors and all the kind-hearted volunteers. Ed and I are so happy to be able to raise our girls in the town where I grew up and look forward to making all our family memories in this house."

Families build their homes alongside volunteers and then purchase their home and pay an affordable monthly mortgage.

Jessica grew up in Harwich and Chatham and currently lives with her kids Autumn and Forrest in Orleans.

She is working as a Behavior Therapist with Southeastern ABA and is also a full-time student finishing her BS in Psychology.

"I am humbled beyond words to be able to have this opportunity to partner with such an amazing community that has welcomed me and my family with open arms. I'm so grateful that my dream of not only owning a home, but participating in its creation is becoming a reality!"

Murray Lane, Harwich continued....

Jessica and Charlie were both born and raised on Cape Cod and they currently live in Harwich.

Charlie works at DeMontigny Hardwood Flooring and Jessica has been a preschool teacher, CNA and a bartender. She is now a stay at home mom to children Brooklyn and Axel.

"We are so blessed and tremendously thankful to all who have helped make this opportunity of homeownership a reality for us. This is truly a humbling experience in so many ways. Can't wait to make this house our home!"

Heather grew up in Dennisport and raised her daughter Jay there until 4 years ago when they moved to Harwich.

Heather has worked in healthcare for the past 20 years and currently works for Home To Stay, a home care agency in Yarmouth.

"I'm beyond grateful to have been given this opportunity to become a homeowner, it's been a long time dream but always felt so out of reach. I'm very excited to be able to be a part of the process of building our forever home, this whole experience is a dream come true."

Jennifer and Felix and their son Jax live in Harwich, in the house that Jenn grew up in. Jenn works at Great Western Deli in South Dennis and Felix works at Tractor Supply in Hyannis.

Jenn's grandparents built their own home in Holden back in 1951 and it has always been a dream of Jenn's to build her own home as well.

"Since finding out that we were selected to be homeowners through Habitat we have been greeted with smiles, good will, and endless support. This organization is an incredible example of the good in human nature. To see all of these people that want to support us and see us succeed is humbling. You have put your faith in us and in turn that has made us want to make you all proud and we will."

Meet the Willett Way, Falmouth Home Buyers

Site Supervisor: Barry Clickstein

Volunteer Coordinators: Iris Clickstein and Ken Larsen **Devotions Coordinator:** Dr. Rob Parke

Snack Coordinator: Bev Parke **House Leaders:** Bob Leary and Jack Sample

Sarah lives with her son Jack in Marstons Mills. They just moved to the Mills from Falmouth about 3 months ago and are eager to get back to Falmouth, where she works and he goes to school.

Sarah was born at Cape Cod Hospital and grew up in Barnstable. She worked for Dr. Michael Barnett for 8 years until he passed away, then went to work for Ophthalmic Consultants of Boston in Falmouth. Sarah also owns Sarah Glover Skincare & Wellness Center in Falmouth.

"Providing a stable home for Jack is what is most important to me. We have moved 9 times in the past 10 years. This home is more than a roof over our heads. It is peace. A restored faith in humanity. This home is allowing us financial stability along with a safe place to call home. A place to finally lay roots, enjoy quality time together and make memories. Our hearts are immensely full with gratitude for this opportunity."

Jaclynn was born in Falmouth and she and her 3 boys, Nick, Jake and Matty live in Falmouth. She works at Gosnold Treatment Center as an alcohol and substance abuse counselor. She has a second job at Estia in Falmouth and before that worked for Oysters Too.

"I am so grateful to be able to build our house and have the opportunity to make it a home and start new memories with my children. I am so proud to be able to show my kids that with hard work and determination anything is possible. We are so thankful that we have volunteers to help make our dreams come true, never in a million years did I think me, a single mother with three kids working two jobs could own, never mind build my house in Falmouth!"

Olivia grew up in Marstons Mills and now lives in West Dennis. She works for Seven Hills Foundation in Marstons Mills. She has two girls, Laveah and Tahlia.

"I am absolutely humbled and blessed to have been selected to be able to build my own home! Every time I think about it, tears come to my eyes from being overjoyed. The journey was discouraging at times, but perseverance paid off. We are extremely fortunate and thank God for this amazing opportunity!"

Willetts Way, Falmouth continued...

Sharon and her kids Jack and Sophia moved to the Cape 8 years ago and she works in a local restaurant. She enjoys knitting, movies, tea, the ocean, and has found a new love for gardening since the Covid quarantine.

"I am truly grateful to have been selected for a Habitat home here on a beautiful Cape Cod. I am looking forward to meeting the other families and local volunteers. We are beyond excited to begin this journey of building a home of our very own on Cape Cod with family, friends, neighbors and volunteers. What a wonderful gift."

Brittany grew up in North Attleboro and has lived in Falmouth for the past 5 years.

Brittany works as a Family Recovery Support Specialist at FIRST Steps Together through Cape Cod Children's Place. Her son Parker was born at Cape Cod Hospital.

"Parker and I feel so blessed to be a part of the building of our new Habitat home, and are beyond excited for this next chapter in our lives. This is a dream come true for us."

Families are permanently removed from the cycle of housing crisis.

Can You Sponsor a Habitat Home?

Home Sponsor Kathy Green with one of the families whose home she sponsored

Home Sponsor Salli Myers with the family whose home she sponsored

With a gift of \$50,000 or more, you, your family, company, foundation, faith-based or civic organization can enjoy many wonderful benefits while demonstrating your belief that making affordable homeownership opportunities available to families of modest means is one of the best investments you can make in the future of our community.

Many amazing individuals or couples have also found their involvement with Habitat Cape Cod so fulfilling that they have decided to make a significant gift of \$50,000 to sponsor a home.

Our current home sponsors include; **Falmouth** - Salli Myers, St. Mary's Episcopal Church, Cape Cod Church, Falmouth Toyota, Willett Fund of the Cape Cod Foundation, Falmouth Faith Community and an Anonymous donor. **Harwich** - The Green Family, Charlesbank Homes Foundation and Harwich Faith Community. **Sandwich** - Paul and Carol Coteus and the Sandwich Faith Community. **Chatham** - Nancy Erskine, **Brewster** - Peter Soule and Friends of Bob Harding.

To learn more, please contact Ginny Irving, Director of Resource Development, at ginny@habitatcapecod.org or 508-362-3559 x 28.

Can You Donate Land?

Simply—in order to build houses—we need to secure land to build on!

Our successful model has always relied on land “donations,” in one form or another. Generally, there are three ways that we secure land: 1) through municipal land award following a successful response to a Town's RFP for Affordable Housing Development; 2) through land purchase using Community Preservation Act or a Town's Housing Trust funds; 3) through land donations.

Do you know of a parcel of land that is town owned? Do you want to explore donating land you own (or a portion)? Perhaps you have an existing home that you would like to donate now or bequeath to Habitat for future use.

Are you a real estate agent with a client who has an “unusable” parcel of land? We are very interested in talking with you about how we might use your land to create much needed affordable ownership housing here on the Cape. Let's explore the many potential benefits – together!

Please contact Beth Wade, Director of Land Acquisition at 508-362-3559 x 24 or land@habitatcapecod.org with any leads. Thank you!

Fundraising Events Help Build Homes

Each year, we host a number of events to raise funds to help build affordable homes on Cape Cod. So far in 2021 we have raised nearly \$200,000 through events with the Holiday Kayak Raffle on the way.

Shed Raffle: \$40,000 • Members Only Golf Day at the Ridge Club: \$17,000 • Charter Cup Fishing Tournament: \$1,900 • Falmouth Road Race: \$16,000 • Mashpee Recreation Pickleball Challenge: \$2,000 • 4th Annual Ride for Homes: \$107,000 • Kayak Raffle \$17,000

We are so grateful to everyone who participates in these events!

4th Annual Ride for Homes is a Huge Success!

Despite the heavy rains in the early morning, riders, volunteers and staff didn't let that dampen the spirit at our 4th Annual Ride for Homes on September 26th.

We had 96 riders who raised an astonishing \$107,000! We are so grateful for all the wonderful sponsors who supported our event this year.

Save the date of September 11, 2022 for our 5th Annual Ride for Homes!

Habitat Builds Green

Habitat Cape Cod homes have the best HERS ratings out of all the Habitat homes across the US!

The HERS (Home Energy Rating System) Index is the industry standard for inspecting and calculating a home's energy performance.

A certified Home Energy Rater assesses the energy efficiency of a home, assigning it a relative performance score. The lower the number, the more energy efficient the home.

"Our portfolio of architectural designs allow for southern exposure on even the most difficult of sites. The volunteers are educated in the most energy efficient framing tech-

niques. Our homes are fully electric, delivering efficient heating and cooling without the storage or use of fossil fuels. And when equipped with solar photovoltaics the homes require minimal grid-source electricity, and can potentially produce as much electricity as consumed in the course of a year. Not only are we building homes with less environmental impact, we are also lowering the homeowner's energy costs." -Bob Ryley, Habitat Cape Cod Director of Construction

"Living in a house with solar is an absolute blessing. When we open our electric bill it usually says "no payment due." Not only does it say no payment due, but we accumulate so much credit during the summer that it carries over all through the winter." -Julie Davis- Habitat Homeowner, Brewster (pictured left)

Though partnerships and donations from the Harken Foundation, The Cape Cod Foundation, Cape Light Compact, the Horsley Witten Group and more, Habitat for Humanity of Cape Cod has installed solar photovoltaics on 49 homes since 2009.

Special thanks to SunPower by E2 Solar for this incredible aerial shot of our 14 homes on Paul Hush Way, Brewster!

Donating Your Solar Credits

Did you know you can donate your excess solar net metering electric credits to Habitat Cape Cod?

We have recently received several donations of credits which are helping to offset our office and ReStore electric expenses. We are very grateful for these donations!

Twice a year, Eversource allows homeowners to update their Schedule Z

form by which you may allocate credits to any public, private or nonprofit entity. The credits may be apportioned at 100% or less.

As these credits never expire and roll over month to month, some individuals, particularly "snow birds" who leave the Cape in winter, are finding they are accumulating credits they never use.

Such credits can be put to good use here at Habitat!

If you are interested in donating your net metering credits, call Beth Wade, Director of Land Acquisition & Project Development, 508-362-3559 x 24 or email her at land@habitatcapecod.org.

Thank you for considering this donation to Habitat!

Once upon a time
you wanted to change the world.

You still can.

There are simple ways everyone can make a difference.

With a legacy gift to Habitat for Humanity of Cape Cod, you can help us do what we do today, even better, for generations to come. A planned gift is simple to arrange and often returns benefits back to you.

For example, you can:

- Make a gift today that costs you nothing during your lifetime
- Receive guaranteed payments for life in return for your gift
- Donate life insurance you no longer need
- Give appreciated stocks, bonds or mutual funds
- Preserve your estate for your heirs and support a cause you care about
- Use a gift to reduce your estate tax exposure and eliminate capital gains
- Donate your house or vacation property, take a tax deduction and continue to use the property for as long as you'd like

Best of all, you can leave a lasting statement about who you are and what you care about.

For more information about how you can make a gift that endures for future generations, please contact Ginny Irving, Director of Resource Development 508-362-3559 x 28

Holiday Gift Giving Idea

This holiday season, consider honoring someone special with a tribute gift from Habitat for Humanity of Cape Cod. Great gift idea for teachers, co-workers, or that friend or family member who is hard to shop for. For your donation of \$20 or more, we will mail your honoree a beautiful holiday card on your behalf.

The wording inside the card will say: **A gift has been made to Habitat Cape Cod in your honor by (name of donor). This gift will help a family in need of an affordable home here on Cape Cod.**

Sending a Habitat Holiday Card is easy:

- Donate online at www.habitatcapecod.org. Please be sure to put the mailing address of the person who should receive the holiday card in the donation notes box.
- Or mail your gift to the office: 411 Main Street, Suite 6, Yarmouth Port, MA 02675 with a note stating you would like a Holiday card mailed to a specific person and their address.
- Or call the Habitat office at 508-362-3559 x 12

ReStore and KAM Team Up

We are excited to announce that Habitat Cape Cod's ReStores and KAM are partnering to help keep used appliances out of landfills.

Every time a KAM customer orders a new appliance, they will be given the opportunity to have ReStore come and pick up the old yet working appliance.

This way ReStore will have more appliances available to sell and we keep them out of landfills!
