Sweat Equity and Unique Habitat for Humanity Partnership Requirements:

- You will be building your own home alongside community volunteers!
- Construction typically takes 10-15 months from the date of wall raising. During this period, you will be dedicating one day per week, usually Tuesdays or Saturdays, to building your home.
- You will also attend pre-purchase education courses.
- The sweat equity requirement is 250 hours per adult in your household, with a maximum of 500 hours.
- Friends and other family members of the home buyer may contribute sweat equity hours.
- Your sweat equity requirement must be completed before you can purchase your home.
- You will be assigned a volunteer partner to mentor and support you during the construction period and the first year of homeownership.

Affordability:

- To keep our homes affordable, we rely on cash donations, grants, land donations, volunteerism, and gifts of materials and professional services.
- Purchasers will need to qualify for an affordable mortgage for these Habitat homes.
- The Cooperative Bank of Cape Cod, Seamen's Bank, United States Department of Agriculture or another third party may be the lender. Applicants may choose to shop for a mortgage.
- Habitat homes are deed restricted to continue as affordable homes in perpetuity.

Application Review Process:

- Your complete application will be evaluated for your financial eligibility. If it receives a preliminary approval, it moves to a family interview committee.
- You will then be contacted for an appointment with two Habitat volunteers who will visit your family in your home. These volunteers will interview you and evaluate your family's housing need and willingness to partner with Habitat, including fulfilling requirements such as sweat equity.
- After your home visit, there will be a final review of your application. If qualified, your application number is entered into a drawing / lottery. Successful applicants and other finalists will be notified after the drawing / lottery.
- If your application is rejected at any step in the above process, you will be notified.

More about Habitat for Humanity:

- HHCC is a 501(c)3 non-profit ecumenical housing program, with a mission to provide the opportunity of affordable home ownership, and to build hope, lives and community in all 15 Cape Cod towns.
- Homes are built in partnership with families who have a need for decent, affordable housing and do not have the financial means to build or purchase a market rate home through conventional financing.

SWEAT EQUITY FORM

REQUIRED ATTACHMENT TO YOUR APPLICATION

Sweat Equity/ Partnership Question: Our sweat equity requirement is rigorous! Habitat homeowners as well as each adult that will live in the home are required to work 250 hours each on building the home (except for full-time college students), with a maximum of 500 hours per household. You would not be allowed to move into the home until the hours are completed. This requires approximately eight hours a week on a Habitat construction site (7:30am – 3:30pm on a Saturday or a Tuesday) during the months that the home is being built. Some weeks there will also be a required meeting or home ownership preparation workshop to attend. You do not need to be experienced in construction. We train and guide you in your sweat equity as you work side-by-side with other volunteers.

How will you arrange to have the time available?

How will you manage transportation to the site?

What childcare arrangements will be available for you (children 14 and under are not allowed on the build site but up to 50 hours of baby-sitting time by family/friends can count toward your sweat equity hours)?

If any condition (disability) will restrict some aspect of your participation on the construction site, list the specific medical restrictions your doctor has given you that will limit which tasks you are assigned. How will you be able to participate?

OR If a disability of a dependent household member (because of their extraordinary or specialized care needs) may severely challenge your ability to personally perform the total number of hours usually required by adult household members, you may request a modification in the percentage of hours that may be done by friends and family.

1. Provide documentation of the disability from the physician.
2. Describe how the care they need (while you are absent) is more specialized than general babysitting.
3. How much extra help will you need from your friends and family to complete your sweat equity?

There are no medical restrictions to my participation Yes No

HABITAT HOME APPLICATION PACKET - IMPORTANT INFORMATION

AFFORDABLE HOME DEED RIDER: This home will be sold with a deed rider that preserves it as an affordable home in the future. This rider will limit the sales price of the house in the future so that it will be affordable again to an income eligible household. The rider will also require the home to be used as your primary residence. Renting of the home is not allowed; any refinancing or capital improvements will need the approval of the Town, Habitat and The Executive Office of Housing and Livable Communities (EOHLC). A copy of the deed rider may be reviewed at: https://www.mass.gov/files/documents/2017/10/16/lipdeedrider_0.pdf. A summary will be provided to successful home buyers.

NON DISCRIMINATION: Habitat for Humanity of Cape Cod does not discriminate in the selection of applicants on the basis of race, color, national origin, disability, ancestry, children, familial status, genetic information, marital status, public assistance reciprocity, religion, sex, sexual orientation, gender identity, veteran/military status, or any other basis prohibited by law.

FINANCIAL INTEREST: Individuals who have a financial interest in the development and their families shall not be eligible.

PRIVACY NOTICE is enclosed in this packet.

HABITAT FOR HUMANITY HOME MORTGAGE POLICY: All applicants will be pre-approved for a Habitat for Humanity no-interest mortgage as part of determining eligibility for the final lottery. However, we require all eligible applicants to apply for a mortgage from a third-party lender or from the "USDA" (United States Department of Agriculture 502" low-interest mortgage) - once they have entered into an agreement to purchase their Habitat home. They must utilize the other lender's mortgage or the USDA or (rather than a loan from Habitat) if qualified. Applicant may choose to shop for a mortgage.

APPRAISAL DISCLOSURE: If you are selected to purchase a home, we may order an appraisal to determine the property's value and charge you for this appraisal. We will promptly give you a copy of any appraisal, even if your loan does not close. You can pay for an additional appraisal for your own use at your own cost.

"FIRST TIME HOMEBUYER" DEFINITION EXPLAINED --- To qualify you must be a "first time homebuyer." However, **there are several important EXCEPTIONS.** If any of these exceptions describe YOUR situation, you may still be considered a qualified "first time home buyer" for the purposes of this application.

First time homebuyer means: The household shall not have owned a home within three years preceding the application.

Exceptions to this rule include:

1. Displaced homemakers, where the displaced homemaker (an adult who has not worked full-time, full-year in the labor force for a number of years but has, during such years, worked primarily without remuneration to care for the home and family), while a homemaker, owned a home with his or her partner or resided in a home owned by the partner.
2. Single parents, where the individual owned a home with his or her partner or resided in a home owned by the partner and is a single parent (is unmarried or legally separated from a spouse and either has one or more children of whom the individual has custody or joint custody, or is pregnant).
3. Households where at least one household member is 55 or over.
4. Households that owned a principal residence not permanently affixed to a permanent foundation in accordance with applicable regulations; and households that owned a property that was not in compliance with state, local or model building codes and that cannot be brought into compliance for less than the cost of constructing a permanent structure.

Please note: Even if you qualify for the exception, your previously owned home must be sold before the date of your application.

FINAL LOTTERY preferences: There are certain preferences in the final lottery of eligible candidates:

1. Households that need the number of bedrooms offered
2. Households that meet the local preference definition on page 3 and 4

The information on the “Government Monitoring Form” as to minority / non-minority status will be used to ensure that Local Preference does not create a discriminatory consequence in the lottery.

REPORTING OF ALL INCOME AND ASSETS:

INCOME

- **All income of all adults 18 or older** who are members of the household to live in the Habitat home (even if temporarily away) must be reported.
- Most of the **income of full-time students over 18**, other than head of household or spouse, will be disregarded for eligibility purposes as long as their student status is documented (but it still must be reported and documented).
- Adult household members with zero income must sign a certification of zero income.
- There **are very few sources of income that are not counted as income**. You should report all income. Our credit reviewers have the list of excluded income and will disregard any income on that list. If you have a question whether a source should be counted, list and document it, and put that question in your cover note. (Examples may include certain one-time payments, or compensation specifically for medical expenses)
- Habitat for Humanity of Cape Cod uses **the standards of HUD 24 CFR 245.609 and LIP guidelines** in considering what income to count, and the required methodology of the Federal Home Loan Bank of Boston Affordable Housing Program.

ASSETS

All assets of all household members, including minor children, should be listed in the application with their value, and documented. **There is a \$75,000** asset limitation to qualify as an affordable home ownership applicant under the Executive Office of Housing and Livable Communities (EOHLC) Ch. 40B program (which governs the homes you are applying for with Habitat). Habitat’s **reference for what assets shall be considered is HUD Handbook (6/07) Exhibit 5-2: Assets**. Common assets are cash (including the cash from lump sum payments, even if not counted as income) held in bank accounts or in other ways, revocable trusts, rental or capital investment income, stocks, bonds, treasury bills, C.D.s, retirement accounts, if the holder has access to the funds (even with a penalty), face value of whole (not term) life insurance, and others. Excluded from the limit is certain personal property (such as car, furniture, wedding ring, and other) that is not held as an investment, and assets (other than owned rental property) that is part of an active business. All assets should be reported. The Habitat’s credit reviewers will reference the list of what is included/ excluded if this may make a difference in an applicant’s eligibility for our program.

REASONABLE ACCOMMODATION: persons with disabilities have the right to request a reasonable accommodation related to the home, or to some aspect of the Habitat process. Please see the bottom of Application, Page 9, asking if a modification will be needed to the home, and the Sweat Equity Form, where we ask about restrictions to your participation and what you will be able to do. You must document that you/a household member has a disability, and the relevant restrictions for the accommodations that you are requesting.
